DIED.

BOHN.—At her residence, Twenty-eighth street, Park Place, Saturday, September 16th, 1900, at 6:25 A. M., CHAR-LOTTE AKE, beloved wife of Milton W. Bohn, in her 35th year.

The funeral will take place from the residence THIS (Sunday) AFTERNOON at 3 P. M. Friends and acquaintances respectfully invited to attend.

MYERS.—At the residence of his brother, E. L. Myers, corner 29th and Granby street, Saturday, September 15th, 1900, at 8 P. M., SAMUEL A. MYERS, in the 30th year of his age.

The funeral will take place from the Christian Memorial Temple, Brambleton, TO-MORROW (Monday) AFTERNOON, September 17th, at 3 o'clock, Friends and acquaintances respectfully invited to attend.

At a called meeting of the COLLEY CLUB, held in its quarters, corner Colley and Mary's avenue, the following was adopted:

That whereas, the Almighty, in His inscrutable wisdom, has taken from this earth our friend and associate, MALLIE DENNIS, and while bowing in humble submission to his will, we cannot refrain memory.

submission to His will, we cannot refrain memory.

Resolved. That in the death of Mallie Dennis this club has suffered an Irreparable loss, a loss we deeply deplore.

His character was strong and irresistible, drawing every one to him with whom he came in contact. While he has gone from us never to return, his memory and courteous bearing will ever linger about us; the well rounded character we loved so well, ever shining as a guiding star to us, as an example worthy of our emulation.

so well, ever shining as a guiding start to us, as an example worthy of our emulation.

While we strew these simple garlands upon his bier, we would not be unmindful of his handlwork, his devotion to the art in painting. Providence seemed to take a special interest in him and placed in his keeping talents which he applied diligently; and while he is gone, they will be lasting witnesses to his indefadigable energies and aspirations. While we wish that he could have been spared to us to finish his work, we feel that dying as he did, with the assurance of a blessed eternity with God, that he was called hence where he will forever paint the scene of the Beautiful City, his dwelling place.

To the family of our deceased friend we offer our tenderest sympathies, jointing them in and attending to his worth. Resolved, That a copy of these resolutions be placed in the minute book of the Club, published in the daily papers, and sent to the family of the deceased.

The Summer Wanderers Have Begun Their Homeward Flight-Comings and Goings-An October Musical Event That Will be Anticipated With Pleasure.

The first fall days have come, bringing with them withal a sadness that forces itself upon us. "Those melancholy days" is an old, old saying; yet, when the first dull days of September arrive, these words run through our minds, and we think, and perhaps say, "They have come." But are we sorry or glad? With these cool September days the summer wanderers begin their homeward journeys, and we feel a keen delight that Norfolk will soon be itself again. Yet, on the other hand, the freedom and informalities of the summer will soon have to be done away with. At any rate, 'tis time; that it is now between seasons and very little entertaining is going on, so all there is left to be chronicled in this column is the coming and going of the pecple one knows.

Wife Made the Suggestion.

A grocer has excellent opportunity to know the effects of special foods on his customers. Mr. R. A. Lytle, of 557 St. Clair St., Cleveland, Ohio, has a long list of customers that have been helped in health by leaving off coffee and using Postum Food Coffee.

He says, regarding his own experience: "Two years ago I had been drinking coffee and must say that I was almost wrecked in my nerves.

"Particularly in the morning I was so irritable and upset that I could hardly wait until the coffee was served, and then I had no appetite for breakfast and did not feel like attending to my store duties.

"One day my wife suggested that inasmuch as I was selling so much Postum Food Coffee there must be some merit in it, and suggested that we try it. I took home a package and she—pared it according to directions. The resuit was a very happy one. My nervousness gradually disappeared and to-day my nerves are all fight. I would advise everyone affected in any way with nervousness or stomach troubles, to leave off coffee and use Postum Food Coffee.

"You should begin at once the use of this Cherry Pectoral for your son, giving it in moderate doses. Then procure some good preparation of cod-liver oil, as Scott's Emulsion, and give him that, as well. Pay particular attention to his diet, giving him such nourishing foods as rare steak, lamb chops, good milk, eggs, etc. Above all, keep him out of doors all that the weather permits. There is nothing that will do him more good than plenty of fresh air. Let him live out of doors all that is possible. By carrying out these general suggestions we shall hope to hear soon that your son is improving in every way. Very truly yours,
